Welcome to Uncle!

Thank you so much for expressing an interest in having your son(s) become part of Uncle. In doing so you have taken the first step towards bringing him in contact with positive male role models who give up their valuable time to help young boys on their journey to manhood.

"Inspirational! The kind of modest and low key yet powerful program that can have a huge effect. Uncle is a brilliant idea for getting more good men into the lives of children. Everyone benefits, and youngsters have better lives as a result". Steve Biddulph

The next step in the process is for you to become a member of our organisation. The main reason for this is so that your boy is covered by our insurance during activities.

Membership costs \$5 a tax financial year (if this cost is prohibitive please do not hesitate to contact our office and we will be happy to come to some other arrangement). Please read all the information, fill in and return the attached forms.

Once you are a member your boy(s) is welcome to join us at any of our activities. Keep in mind that space is sometimes limited and they often fill up quickly. If you are seeking a one-on-one relationship for your boy, activities are the best place for him to meet men and make a natural connection. At present we largely rely on activities to provide the process by which men and boys form mentoring friendships. Due to the nature of our program we always have more boys looking for mentors than men willing to mentor them and for this reason we cannot guarantee individual mentoring to everyone.

For more information please don't hesitate to contact Uncle and additional information can be sought via our website at www.uncle.org.au. Thank you once again for recognising, on your son's behalf, the great need for men to be a part of his life.

Yours sincerely

The Uncle Team
