

Uncle registration form

Uncle is required by law to keep a register of names and addresses of members of the organisation which other members of the organisation are allowed to view (but not copy or take away). We realize that some people have safety and security reasons for not wanting others to know their address.

Is this true in your case: **Yes No** (please circle)

If you have circled Yes above we will ensure that anyone wishing to contact you who is not staff, volunteer staff or management committee is not able to do so until you have been informed of their intent. If you haven't specified we will assume that other members may know your address.
